PHOTOGRAPHY PACKAGES

Day in the Life

Unique photography to tell the story of your business

Create stimulating visual stories in a day.

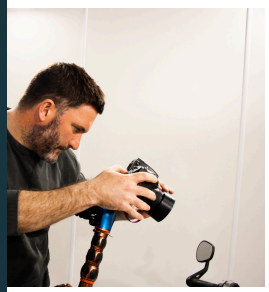

- Produce a portfolio of images
- Tell the story of your business
- Capture images to highlight specific services
- Images for use on social media & websites.
- Images delivered optimised for immediate online use

Day in the Life - €695

Includes a minimum 20 prepared images ready for website use.

A Day in The Life photoshoot can be booked multiple times throughout the year to build portfolios of images to suit seasonal marketing.

The DitL shoot is not directed - it is a unique service where Phil discovers stories and tells them in a unique and stylish way. For more strategised shoots, you will need to choose a package.

Terms & Conditions apply. Details can be found at
